SPIRIT WEEK

Spirit Week at JFK set the mood for a victorious Homecoming. The students had a dress up day on Monday; students were transformed into Disneyland creatures on Tuesday; and green and gold attire was worn by all on Wednesday. Friday's assembly proved to be the culmination of the week's activities. A pie eating contest, a spirit yell, and a tricycle race were the events of the day. The senior class was awarded the spirit week trophy.

COACH GOODWIN . . . THANKS!

Coach Bob Goodwin has been teaching and coaching for 30 years. He Has influenced and guided hundreds of teenagers. This tremendous and giving individual deserves to be recognized for what he is — and for what he has done during these 30 years.

Bob and Rose Goodwin have four children, three boys and one girl. Bob received his Bachelor Degree from Central Missouri State University. He received his Masters Degree from Washington University, Missouri.

After college Mr. Goodwin next began teaching and coaching at St. Marys High; he then moved to Laboure High. His next teaching position was at McBride for eleven years. At McBride, he became League Manager for the Catholic Athletic Conference and still remains so. Coach Goodwin came to Kennedy in September of '69 when JFK was in its sophomore year.

Coach Goodwin works his teams hard. This work is evident when one scans Mr. Goodwin's teams' records. While at Laboure, his basketball team went to the quarter finals of the State Basketball Tournament. At McBride, his football team was Co-Champs for two years and his basketball team was Co-Champ one year and Champs another year for the CAC. His '65-'66 basketball team had a 26-3 record and went to the semi-finals only to lose by one point. (State Tournament). Since coming to JFK, he has set up the entire Athletic Program. His '72-'73 basketball team was Co-Champ of the Catholic Athletic Conference. Along with several fathers, he helped to set up the Kennedy Club which has been a tremendous help to the Athletic Department and also to other departments in the school.

When a teacher, a coach, gives this much of his time, energy, talent and understanding to so many students, he should be applauded and praised.

COACH GOODWIN . . . THANKS!

TRACK

This season the varsity Celts were more competitive than in recent years. Mark Taetz placed seventh in the high jump at the state track meet, setting a new school record of 6'4"; and the varsity doubled last year's point total in the conference meet. In fourth place after the 880 relay, in which the Celts placed third, the Kennedy varsity missed taking fifth place by one point. With this performance and the strong performances by the freshmen and sophomores this year, the Celts are building a strong track team.
